PROFESSIONAL EXPERIENCE

Starbucks, Barista, Milton, ON.

September 2017 – February 2018

- Promoted coffee consumption by educating and encouraging customers about products sold at the location.
- Maintained safe and healthy work environment by following organizational and sanitary regulations.
- Engaged with consumers while making drinks and responded to feedback to better serve in the future.

OTHER EXPERIENCE

Boston Consulting Group, Virtual Intern, Milton, ON.

June 2020 – July 2020

- Learned how to be the ideal strategy consultant and financial interpreter, through their strategy consulting virtual experience program.
- Gained practical skills such as market research, data gathering, professional communication, financial modelling, and business judgement.
- After 2 weeks, a certificate was obtained after demonstrating strategic consulting skills applicable to most businesses.

Deloitte, Virtual Intern, Milton, ON.

July 2019 – August 2020

- Learned how to be the ideal technology consultant and designer, through their Technology consulting virtual experience program.
- Gained practical skills such as industry research, data organization and analysis, value analysis, resource management, and risk assessment.
- After 2 weeks, a certificate was obtained after demonstrating technological consulting skills applicable to most businesses.

DECA, Milton District High School's DECA President, Milton, ON.

September 2017 – May 2020

- Designed and implemented a more competitive recruitment process and revamped team's training methods.
- Prior to my leadership, Milton District High School's DECA chapter was one of the smallest in the region, despite the competition housing over 200,000 participants.
- Conducted mock one-on-one case studies and provided personalized feedback to ensure constant improvement.
- Recognized by DECA Ontario as the largest grown chapter for the 2019-2020 season.
- Received 5 medals independently at the provincial level for high scores in case study presentations and exams.
